Student Kako'o (Student Helper) Application Form

Let the
KCC STEM Program
Guide You on Your
Journey

"Kūlia i ka nu'u"

The KCC STEM Program

The goal of the STEM program is to enhance the quality of the science, technology, engineering and mathematics (STEM) instructional and outreach programs at Kapi'olani Community College, as well as to increase the number of STEM students transferring to four-year degree programs as they prepare for careers in the STEM disciplines.

Student Kako'o

Student Kako'o are usually first year students who are relatively new to KCC and the STEM Program. Kako'o are student helpers who provide support services in and around the KCC STEM Center. Students who wish to become Kako'o are not required to have a particular level of expertise in any specific area. The Kako'o position gives students the opportunity to become more familiar with KCC, the STEM Program, and STEM faculty while providing support services.

Benefits

Student Kako'o are paid **\$8.50 an hour** for their services.

Requirements

Students who wish to become Student Kako'o:

- Must be enrolled in at least **six credits** at Kapi'olani Community College
- Must be a **STEM student**
- Must have a **GPA of at least 2.0**

Responsibilities

Student Kako'o are expected to:

- Spend **eight to twelve hrs/week** performing activities that support STEM faculty
 - These activities include, but are not limited to:
 - Clerical work
 - Research
 - Posting flyers and posters
 - Emailing
 - Additional activities and responsibilities will be assigned by STEM faculty on an "as needed" basis

*Requirements and responsibilities are subject to change as deemed necessary by the STEM faculty
